Students participating in Block Scheduling can register for blocks of classes, where each block consists of two to five classes. Please visit the Starting Blocks advising page for more information on Block Scheduling, or contact your assigned advisor directly. (https://advising.kennesaw.edu/orientation/starting_blocks.php)
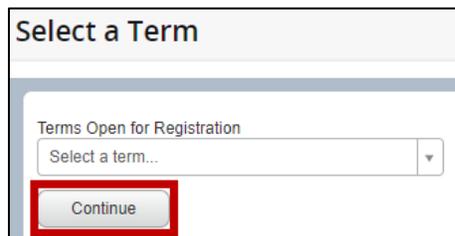

How to Register for Class Blocks

1. From the Registration tab in Owl Express, click **Register for Classes**.
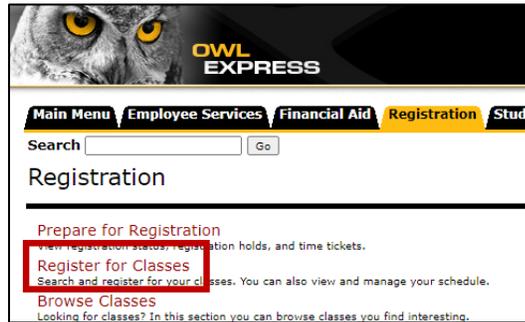

Register for Classes link

2. Select the appropriate semester for registration from the drop-down menu. Click **Continue**.

Select term and Continue

3. Select a block from the course list by clicking the button next to "Alternative Block".

Select Alternative Block

4. Click **Submit** to complete registration. The classes will display "Registered" in green.

Submit button

Note: To change your block selection, return to the course list, select another block, and click **Submit**.
