KENNESAW STATE UNIVERSITY

Starting Blocks
Registration Legend and
Southern Polytechnic College of Engineering
and Engineering Technology Information

Class Days

Prefix	Description
M	Monday
T	Tuesday
W	Wednesday
R	Thursday
F	Friday

Campus Information

Prefix	Description
K	Kennesaw
M	Marietta
O	Online-Asynchronous (There is no scheduled meeting time)
O-S	Online-Synchronous (Classes meet online at the specified time)

Class Types

Type	Description
In-Person	All class sessions meet face-to-face.
Online	100% online courses are those courses that do not require any on campus visits or proctored exams. 95% online courses will have one on-campus requirement, typically an orientation or exam. A proctored exam alternative is made available for students at a geographic distance of 50 miles or more from campus.
Hybrid	Hybrid classes are a combination of in-person and online coursework. **Hybrid courses are designated with a * in the meeting days.**

Registration Terms

Term	Definition
CRN	It is the 5-digit course registration number specific to the class in which you are trying to register for or are currently enrolled.
Course Subject and Number	Courses are displayed by subject abbreviation (prefix) and course level (ex. ENGL 1101 for English Composition). This aids in searching for classes.
Pre-Requisite and Co-Requisite	Condition that a student is required to meet in order to be eligible for enrollment in a course or program. Pre-requisites must be completed prior, and co-requisites must be taken simultaneously.

Section Codes

Code	Description
A	Starting block courses (eligible for students attending orientation and first-time freshmen)
B	Starting block courses (eligible for first-time freshmen)
G	Open to all eligible students
H	Honors
L	Learning Support
S	Study Abroad
W	KSU Online

Majors in the Southern Polytechnic College of Engineering and Engineering Technology

Major	Appropriate Block(s) for this Major
• Civil Engineering, BSCVE • Computer Engineering, BS • Electrical Engineering Technology, B.S. • Electrical Engineering, BSEE • Environmental Engineering, B.S. • Industrial and Systems Engineering B.S. • Industrial Engineering Technology, B.S. • Mechanical Engineering Technology, B.S. • Mechanical Engineering, BSME • Mechatronics Engineering B.S.	All blocks are appropriate for these majors.
