PFL Happenings

Spreading some positivi-tea!

The PFL Program was at the Mental Health and Wellbeing Fair on September 12 where we handed out positivi-tea to those who stopped by our table. 119 KSU students received positivi-tea from us! It was such a fun event featuring a painting station, drum circle, aromatherapy, and more! The above picture shows our table at the event. Missed the fair this year? Join us next year at this annual fall semester event!

Workshop recordings posted on D2L.

PFL hosted two awesome workshop series this month called "Building community at KSU" and "Learning How to Learn." If you missed the workshops but are interested in learning more, you'll be able to find the recordings of both workshops on our PFL D2L Resource page.
