## WHAT WILL I LEARN?

With the English Education degree prepares you to teach English Language Arts at middle and high school levels. You will develop a broad, rich knowledge of the discipline of English grounded in current research and theory in anti-racist teaching and culminating that helps you build your skills in a yearlong student teaching placement. This program prepares you to be critically minded and creative teacher capable of developing lessons and projects to help your future students become skilled, confident, and ethical users of the English language.
