## Noteworthy News

October / November - Fall 2023

### **PFL Happenings**

#### ***A successful Chip and Chat!***

The PFL Program hosted Chip and Chat in October (pictured above). Students in attendance painted pumpkin magnets, enjoyed chips and apple cider, learned more about the PFL Program, and conversed with other students. Everyone was so creative with their paintings, and students shared that they found the event to be a great study break. We plan to host more events like this in the future. Stay tuned!

#### ***Study with PFL***

PFL is hosting Guided Study sessions throughout the month of November. During these focused sessions, we utilize a proven method to help you retain more information and better utilize your study time. If you need help focusing on your work or if you'd like to increase your productivity with accountability partners, these sessions are for you!

## Get Involved

We unfortunately had to cancel our annual "Tip or Treat" event due to Ellie being out sick. While we are sad about this, the good news is that we are rescheduling. You still have an opportunity to share your thoughts and college tips as a conversation leader (panel member). The event will occur in January.

***Interested in being on the panel?*** Email Ellie to join. It's a great resume builder, and you'll get a special gift!
